## What is happening in Boerne FFA?

This semester has been FILLED with contests, stock shows and classroom projects!

## STOCK SHOW'S

Join us in congratulating Annika for placing 3rd OVERALL Broilers at San Antonio Stock Show! Way to go! We are extremely proud of your dedication and commitment! Wish her luck at auction!!

Boerne FFA Show Team had several Students compete in the following!

- Market Lambs
- Poultry
- Markets Barrows
- Market Steers
- Market Goats

Our meats team took a trip to Tarleton State University to get extra practice from Dr. Cassens and Andrew Cano!

They allowed us to come up to the meat lab to have a practice run all day. We had the opportunity to practice on some beef sides then watched a steer get butchered as the USDA inspector showed what they look for! Dr. Cassens and Andrew also broke down some cuts for us!

Our team got to learn firsthand important skills and gain experience on a potential career!

We are incredibly thankful for the opportunity to learn from some of the best!

## MEATS ON THE MOVE

## AG Mechanics

Boerne FFA AG Mechanics had three projects complete at the Jr. AG Mech Show at San Antonio Rodeo!

Boerne Trailer - Red Ribbon

Custom Deer Processing Trailer- Blue

Hay Feeder - Blue

Outdoor Kitchen- Red Ribbon

## CDE's

This semester has been FILLED with contests, stock shows and classroom projects!

CDE's Are in full swing! Each of the following teams have been traveling to practice contests!

- Wool
- Poultry
- Floral
- Meats
- Horse
- Dairy
- Vet
- AG sales
- Livestock
- Agronomy
